

One family's Christmas story

While commercials and big advertising campaigns convince consumers to buy, buy, buy, one West End family is preparing to celebrate Christmas with many of the customs of earlier times.

"We're really busy throughout the year with church and community organizations, but the last couple of weeks we turn about and concentrate on the family," said Darlene Busby of Upland.

Darlene and husband, Del, have six

children. Five-year-old Nancy, Chris, 12, Kathy, 14, and Andy, 16, all live at home. Rachel, 19, is working for a family in Minnesota to earn money for college, and Tom, 20, is on a two-year church mission to England.

Holiday preparations begin long before the Christmas season. Last summer, Nancy planted pumpkins. One was used for a Halloween jack-o-lantern, and another will go into a pie for Christmas dinner.

Friends and relatives will receive pickles, applesauce and jams canned during the summer. The whole family shares in the canning — and the clean up, commented Chris.

Fudge, cookies and bread are other gift favorites. Chris makes the cookies, and Del's specialty is fudge, Darlene said. She bakes six loaves of bread each week for family use and gets help at Christmas time from Kathy and Rachel who will be home for Christmas. Last

year they made cinnamon rolls shaped into Christmas wreaths and decorated with candies and cherries.

One neighborhood custom Darlene especially enjoys is the cookie exchange. Each neighbor makes four dozen cookies. Then they meet together and trade cookies so each has a variety. The exchange is a time of fellowship and produces some very good cookies.

Many of the non-edible gifts are handmade and will be cherished for years. Past Christmas presents have included decoupage plaques, jewelry, Raggedy Ann and Andy dolls, and family histories and pictures.

No one is telling what this year's gifts will be. Andy has been combing local stores for gift ideas. He makes the presents at his grandparents' home where he can "work in privacy."

Another good source for gift ideas is the Relief Society, an organization for Mormon women which Darlene attends weekly. One meeting a month is devoted to such home arts as quilting, macrame, needlepoint, painting and home nursing. This year Darlene's cake decorating class made gingerbread houses, much too pretty to be eaten.

Other Christmas customs emphasize togetherness and service to others. Chris, Kathy and Andy will join their church youth groups for caroling to the elderly and shut-ins. The groups also have adopted a needy child who wouldn't have much of a Christmas without assistance.

Each year the family goes caroling for Del's grandmother who lives in Whittier. Darlene's parents, Olive and Tom Talley, also are included in much of the preparation and celebration of Christmas. "I grew up without grandparents and can see the effect they have on my children," commented Darlene.

The grandparents share their memories of earlier Christmases when an orange in a Christmas stocking was a real treat. This year four generations of the family gathered at the Busbys' home to make Christmas candles "although the babies didn't do much work," noted Darlene.

On Christmas Eve, the family has always read the Christmas story from the Bible. Last year they did it in reader's theater style using scripture

and thoughts the biblical characters might have had. They wore simple costumes of bathrobes and towels. Each person had a part from Nancy's single line to the more complicated parts read by Del and Darlene. They taped the program so that Tom could share the family Christmas even in England.

They will repeat the reader's theater this year, as well as attending special

Christmas services at church.

"We always enjoy having the family together at Christmas," said Mrs. Talley. Her husband, Tom, remembers those years during and shortly after World War II when the family was separated. As the family members celebrate together this year, their thoughts go to Tom in England and they look forward to next year when he will be celebrating with them again.

FAMILY PROGRAM — On Christmas Eve the Del Busbys enjoy a program of scripture and singing. Gathered around the piano are (from left) Del, Nancy, Andy, Chris, Darlene, Grandmother Olive Talley, Kathy, and Grandfather Tom Talley. Family members not present for the picture are Rachel and Tom, who is on a two-year mission in England. The Busbys believe Christmas is a family time. (Photos by Lynne Locke).

HOMEMADE GIFTS — Each summer the Busby family cans jams, pickles and applesauce. At Christmas homemade cookies, fudge and bread become gifts for relatives and friends. Kathy and Chris wrap the goodies for holiday giving.

Council considers going elsewhere for insurance coverage

The City Council Monday night authorized renewal of the city's basic insurance policy only if past problems can be resolved.

Councilman Hal Bailin noted that Maryland Casualty Co. previously accepted a claim that conflicted with city interests. City Attorney Donald Maroney agreed that Maryland Casualty's action showed "bad policy" and assured the council there will be "an understanding in this matter."

The three-year policy covers auto insurance, property damage and basic liability. City information recently was updated to insure adequate coverage, according to city manager Lee Travers.

The city has explored the possibility of cheaper coverage with other insurance companies but Travers said Maryland Casualty can provide the coverage at the best rate because of past experience with the city.

In other action, the council authorized the R. L. Kautz Co. to administer the workers' compensation program and set up a watchdog committee to evaluate the service.

Bailin said the committee is necessary because the city will have little control over handling of claims. Mayor Abner Haldeman appointed Bailin and Mayor Pro Tem John McCarthy to investigate the service employees receive under the

new system.

Upland previously has used the state workers' compensation program, but Travers said the city can save money by self-insuring. The new plan will go into effect before rates rise Jan. 1.

The council also increased the city's liability coverage from \$1 million to \$5 million. Maroney said the \$4,000 cost is a good investment because claims against cities are increasing.

In other action, the council awarded contracts for front and rear loading refuse packer trucks. Because of increasing costs, each truck costs \$11,000 more than was budgeted for the purchases.

Although the new trucks will provide increased speed and efficiency, Travers said the city cannot expect to recover the increased costs. The city really has no alternative since the trash must be collected, he added.

International Harvester of Los Angeles will provide the front loader for \$44,149.59. The contract for the rear loader was awarded to Valley International of Pomona for \$35,070.86.

The city can expect a year's wait for delivery of the rear loader. Travers said the front loader should be available sooner, because International Harvester has a truck ready for alteration to meet city standards.

Attendance urged

High schools open a half day Friday

All five high schools in the Chaffey Union High School District will operate on a minimum-day schedule Friday, the last day before the start of the Christmas holiday break.

Although dismissal times vary slightly, schools will be dismissed at approximately noon. Bus transportation will be provided after classes are dismissed with each high school establishing its departure times.

Snack bars will be open around noon so that teachers and staff members can eat lunch on campus.

Robert Erickson, district assistant superintendent, said that both regular classes and special programs are scheduled by each school. "Attendance is very important because the district will lose a lot of money if students decide to take the day off," said Erickson. The district receives state funds based on average daily attendance.

"An excessive absence rate on this day will definitely have a bearing on future decisions regarding minimum-day schedules," said Erickson.

Recommendations for minimum-day came from all principals in the district. The district high schools are Alta Loma, Chaffey, Montclair, Ontario, Upland, and Valley View.

NATIVITY — Andy, Darlene and Del Busby paint plaster figures of Mary, Joseph and Jesus. Although the family reads the Christmas story every year, the figures will make the meaning of Christmas more "tangible."

Upland news briefs for the entire week

Recreation open house

The Upland Recreation Department will hold open house Friday from 9:30 a.m. to 6 p.m. The Chaffey Community College Education Center, located at the recreation department, also will be open for visitors. The open house will feature refreshments and displays of recreation classes. Class instructors will be present during the day to give information about their classes, and the schedule of winter classes will be available. Community members as well as city and school district officials are invited to tour the facilities.

Film on Beethoven offered

Upland Public Library will present a free film, "Beethoven — Ordeal and Triumph," at 2 p.m. Monday. Beethoven's struggle with deafness is examined through his music and quotations from his writings. The anniversary of Beethoven's birth was Dec. 16. The film is sponsored by ORIFLAMME, a program to involve senior citizens in experiences with mass media. All area residents are invited to attend.

Coaches, referees sought

The Upland Recreation Department needs coaches and referees for the basketball program for elementary school boys. At least one coach is needed for each of the nine schools. Four referees and a supervisor also are needed. Coaches will receive \$65 for the nine-week program. Referees will receive \$36 for working two games a week. The supervisor will be paid \$90 for coordinating the program.

All games are played at the elementary schools at 3:30 p.m. Tuesdays and

Wednesdays. Games are scheduled from Jan. 20 to March 19 if the recreation department gets enough help. Anyone interested in helping with the program should contact the recreation department, 982-1362, ext. 55 or 56, by Dec. 20.

High school sports

Upland High School athletic teams have the following competition scheduled this week:

Varsity basketball against Chaffey at 8 p.m. Friday at Upland. Freshman basketball against Chaffey at 3:15 p.m. Friday at Upland.

Junior varsity wrestlers will compete in the Fontana junior varsity six-way tourney at 9 a.m. Saturday. Freshman wrestlers will compete against Sequoia at 3:15 p.m. Friday at Upland.

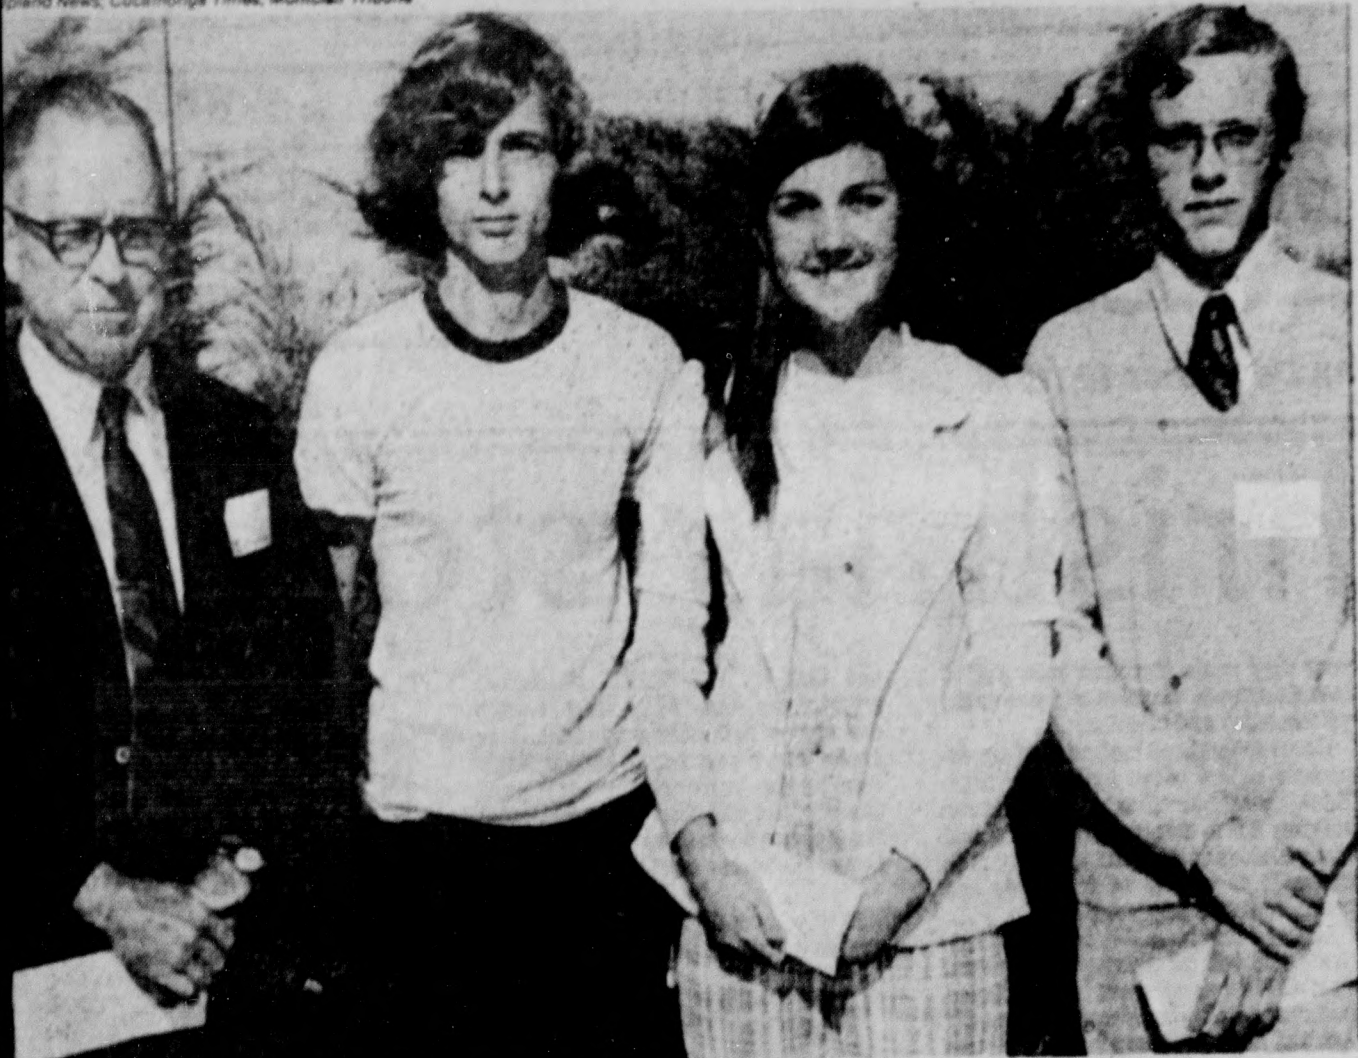

A sari with no pins

During the December meeting of the Upland Woman's Club, Connie Hagen showed members how to wrap six yards of fabric into an Indian sari without using a single pin. Mrs. Marvin Wharton narrated as the Mmes. William Nepper Sr., Donald Jarvis, Cecile Elser and Juanita Jackson modeled authentic costumes from Singapore, India, Thailand and Kenya.

The club supports the Chaffey Community Cultural Center and the Friendship Club which aids adults encountering emotional or mental health problems. The group also has provided funds to help convalescent hospital residents enjoy the Christmas season.

The executive board will meet at 9:30 a.m. Jan. 6 at the clubhouse. The club has planned a guest night for Jan. 14. Reservations are required.

Fact gathering delays

Incorporation study won't be completed until the new year

By LYNNE LOCKE

The Municipal Advisory Council learned last week that the tricomunity incorporation feasibility report will not be completed until January.

Information on area income from sales and gas taxes and estimated increases in the cost of sheriff's protection won't be available until early January, according to MAC member Bob Prasser.

The biggest problem is a change in the formula for determining how much money the area will receive for road maintenance. The change "cuts deeply into funds in an area where costs have gone up greatly," Prasser noted.

The information for the feasibility report will be used in MAC's yearly report to the Local Agency Formation Commission which evaluates MAC's progress toward incorporation.

In other discussion, vice chairman Frank Lesinski reported the sheriff's office will give the area the best protection possible.

Community participation is necessary for adequate protection, Lesinski noted. "As long as people take the attitude that

they don't want to get involved, we're going to have problems," he added.

Etiwanda residents have experienced delays when asking the sheriff's office for help, stated Walker. Delays are caused

by confusion over who should be called since Etiwanda is served by two sheriff's sub-stations, he explained.

People who have had similar problems should contact MAC, which is intended as a communication link between residents and the board of supervisors, Lesinski said. He suggested that residents contact area fire departments to get telephone stickers having emergency phone numbers.

Library changes hours

The new Alta Loma-Cucamonga branch library, which opened for the first time Monday, will have different hours than the old library, according to librarian Helen Kilmurray. Hours are 10 a.m. to 9 p.m. Monday through Thursday and 10 a.m. to 6 p.m. Friday and Saturday. The library will be closed Dec. 24-25 and Dec. 31 and Jan. 1.

Local businessman installed Dec. 28

Frank H. Burris will be installed Worshipful Master of Claremont Masonic Lodge at the 62nd annual installation of officers on Saturday, Dec. 28, at 8 p.m. at the Masonic Lodge, Eighth and Yale Avenue.

Burris has been a resident of Claremont since 1958. He is Vice President of Conqulp, Inc. in Upland. He has been active in the Masonic Lodge since 1951. He is a senior De Molay, formerly Dad of Palestine Chapter of De Molay, and was recently honored as a Chevalier for his continuing work with the Order.

Others elected for the year 1975 are Chester W. Olson Jr., Senior Warden; C. Warren Olson Jr., Junior Warden; Norman H. Day, Treasurer; and Lawrence E. Allen, Secretary.

Appointees for 1975 are Gerald Snodgrass, chaplain; Doyle Mann, senior deacon; Dale Thompson, junior deacon; Theodore Swartz, marshal; Raymond Lockhart, senior steward; Sam Glidden, junior steward; and Eric Bamber, tiller.

Robert A. Schack, retiring Master, will give the address of welcome. James R. Smith, past master, will be the installing officer. George D. Lober, past master, is the master of ceremonies and Charles R. Beaumont, past master, will be the installing chaplain.

All Master Masons, their families, and friends are invited.

There's no living with inflation.

Stopping inflation won't be easy. But it can be done. We can stop inflation just as we have overcome other challenges in the past.

As an essential first step, we must accept the fact that it will be necessary to change our personal habits in regard to purchases as well as investments. Also, we must insist that the government do what it can. That in itself will be a big step toward curbing inflationary expectations. Beyond that, stopping inflation will require adjustments, a period of belt-tightening and a national dedication to restraint and moderation.

We can stop inflation—and when the battle is won—we will enjoy a period of self-reliant prosperity greater than any we have known before.

Council dinner

Services to Girl Scouts recognized

Spanish Trails Girl Scout Council honored a number of individuals and groups who have provided unique services to scouting at the council's 11th annual Recognition Dinner.

Dinner guests at the Griswold's Pavilion in Claremont heard a brief talk by Senior Scout Debbie Ansell on the wide range of opportunities for girls in scouting at each level. She emphasized national and international wider opportunities available to Cadettes and Seniors. Miss Ansell was selected and attended two such events in 1973 and 1974.

Howard J. Snider, chairman of the public relations committee, served as a master of ceremonies for the evening. Mary Ellen Kilsby offered the invocation. Patricia Newton, council president, presented the "state of the council" address preceding awards presentations.

Members of Junior troop 625 from Pomona directed a flag ceremony in the pavilion which had been transformed into a "harvest time" setting under the direction of dinner coordinator, Carole Hansen, council third vice president and her decorating committee.

Mrs. Newton launched the awards ceremonies as she introduced men of the United States Naval Reserve RNCB 16, Detachment 0116, based in Pomona. Commanding officer Lt. Ronald F. Way accepted a council plaque in behalf of his men who have become involved in construction of the council's troop house at a campsite on Palomar Mountain. A number of the men have volunteered extra weekends to complete basic construction before the snow sets in. Special council tributes were presented to the following CeeBees: Charles Buresch, operations officer; Frank Lewis and Russell Elliott, squad leaders; Albert Grainger, corpsman; J. Howard Marriott and Dennis Smith, construction electricians; David Runner,

construction electrician striker; Lee Thompson, builder, and Bill Holloway and Nathan Shelton, utilitiesmen.

Girl Scout plaques were presented to the following CeeBees who have been especially helpful at Palomar: Lt. Ron Way, commanding officer; Charles Blanding, master chief petty officer; Donald Tuohy, builder; R. Leonard Krause, platoon leader, and Robert Porter, head instructor. The services of the CeeBees will make it possible for the use of the facilities at Palomar on a year-round basis.

Recycling Resources, owned by Mike Macardian, in Pomona has donated monies to the council to assist with the capital fund drive, earmarked for the Palomar campsite development. As a roll of thanks was presented to Macardian.

Plumbing and electrical repairs at the council's Camp Conifer were handled during the past summer by Ed Swanson. He made many round trips to the site and nursed the camp's refrigeration unit along through the hottest weather. His willingness to be "on call" for council camp emergencies saved Spanish Trails many dollars and thanks were expressed with a council plaque.

Jody Nowels of Claremont, second vice president on the council board of directors, has been a Scout since childhood and has served the council for 12 years. Jody has a scouting background as a leader, chairman for Sustaining Membership, consultant, organizer and trainer along with positions on the public relations committee and board. Her willingness to take on new challenges, her optimism, her perceptiveness and her ability to sense the needs of others have been great assets in her various council posts, a council spokesman said. The Thanks Badge, Scouting's highest award for an adult was presented to Mrs. Nowels by Earl Young, personnel chairman.

Financial assistance available

Persons in San Bernardino County who need financial assistance may qualify for new Social Security payments, called Supplemental Security Income, from the Social Security Administration.

A toll-free telephone line has been installed for persons who wish to find out if they are eligible. Those living outside the San Bernardino area may call the toll-free WATS line, 800-472-5605, and those in the area may call 889-8528.

The telephone line is sponsored by Plan/Action for senior citizens and is mainly intended to give information about SSI to seniors who are shut-ins, blind or disabled.

SSI is the federal program for the aged, blind and disabled in financial need. It replaces the public assistance programs formerly administered by the states.

Plan/Action, part of the San Bernardino County Council of Community Services, is the designated area agency on aging to plan and promote programs for the elderly in the county.

Call issued for hoop officials

The Upland Recreation Department is looking for coaches and referees for its elementary basketball program this year, which spokesmen believe is a good competitive experience for the elementary school boys.

At least one coach is needed for each of the nine elementary schools, along with four referees and a supervisor to coordinate the total program. Coaches will receive \$65 for the nine week program and referees will get \$36 for working two games a week. The supervisor will be paid \$90 for coordinating the program.

Games will be played at elementary schools at 3:30 p.m. on Tuesdays and Wednesdays. If the Recreation Department is able to get enough help for the basketball program, games will begin January 20 and continue through March 19.

Anyone interested in participating is asked to contact the Upland Recreation Dept. at 982-1362 ext. 55 or 56 by December 20th.

Upland library to offer slides about Austria

The Upland Public Library will sponsor a slide show on Jan. 6 at 2 p.m.

Sponsored by Older Residents Involved from Library Activity in Mass Media Experiment (ORIFLAMME), Dorothy Clayton will present the show on Austria.

Miss Clayton is a well-known photographer, having spent 13 years in Europe with the U.S. Army.

Admission to the program is free. Guests are encouraged to bring a friend.

The library is located at 450 N. Euclid Ave., Upland.

Career exhibit at Plaza Jan. 7 - 10

The Baldy View Regional Occupational Program is preparing for its second annual Career Opportunity Expo to be held at the Montclair Plaza from Jan. 7-10.

The R.O.P. will have displays manned by students and instructors showing it "like it is" in vocational education in the local area. They will spotlight instructional areas such as autotronics, auto body, pilot training and airline careers, landscaping, police and fire sciences, cosmetology, nursing and psychiatric aides, and modeling.

Once again, free blood pressure checks will be available, as well as gardening hints, beauty aids, and a LOOK at YOURSELF on T.V. The whole event will be capped by a fashion show on Friday evening, Jan. 10, 1975, at 7 p.m. The fashion show will be put on by the R.O.P. Modeling Class, which will feature stylish creations from all the plaza shops.

Well over 10,000 people visited the '74 Expo; and once again, everyone is invited to look over the latest in Career Education.

Two students' shop projects earn awards

Two students who attended Alta Loma High last year have won recognition and awards for entering the James F. Lincoln Arc Welding Foundation's School Shop Awards Program. They are Kevin Anderson and Craig Boeson. Students from 11 western states competed.

Anderson won a fifth place along with \$50 for a dinette set he built. It cost him approximately \$100 to build and was estimated at a value of about \$300.

Boeson won a sixth place and \$25 for a wood-turning lathe he designed and built which was powered by an appliance motor. The project cost about \$20 and was valued at \$100.

The students' instructor was Martin Balding.

Meals on Wheels needs people, funds

In order to get the wheels rolling in the Montclair Meals on Wheels project, volunteers and money are needed.

It is estimated \$2,500 is the sum necessary to put the program on the road.

Meals on Wheels delivers hot, nutritious midday meals consisting of meat, potatoes, vegetable, salad, rolls and dessert to those who cannot prepare their own meals, cannot get out to shop or are ill. A nominal fee is charged for the meals.

The food will be prepared and packaged at Doctors' Hospital in Montclair. The meals will be cooked by hospital employees

but volunteers will package and handle delivery.

The by-laws of the Montclair Meals on Wheels have been approved by the Pasadena Meals on Wheels, and with this approval, the Montclair project is aiming at Feb. 3 as the starting date.

Any organization wishing to contribute money and those wishing to volunteer their services are asked to call Alice Philbrick at 621-3961 or write to Meals on Wheels, Post Office Box 2514, Montclair, Ca. 91763.

To date, the Soroptimist International of Montclair has donated \$250 to get the project started.

Funds for jobs to be boosted

Montclair will receive an additional \$89,271 in federal funds for jobs.

G. Michael Milhiser, administrative assistant, said the Comprehensive Education and Training Act (CETA) is administered by the county and the county has informed the city that additional funds are available.

Milhiser said the city's total for the program is \$156,135. He said the additional funds will finance an additional 17 positions through the end of the current fiscal year.

The Montclair City Council will be asked Monday night to approve the hiring of nine new employees. The staff has

recommended that the city fill the positions of business license aide, civil engineering aide, community services aide, firefighter, intermediate clerk typist, maintenance person, police officer, safety inspector and social services aide.

CETA positions are temporary and probably will be eliminated upon termination of CETA funding. Montclair officials said the CETA program is expected to be continued after its scheduled termination in June of 1979.

The CETA program is for Vietnam veterans, minorities, persons over 45 years of age and people on public assistance, Milhiser said.

Boy of Month awards given

Mario Montes, 11, of Cucamonga and Ricky Shetley, 6, of Upland were presented November Boy of the Month Awards for their respective Boys' Club Branches by Keith Anderson, president of the board of directors of West End Boys' Clubs. The monthly awards are given to the member of each branch club who earns the highest number of points through community service efforts and program participation.

Mario is the son of Mrs. Rosa Montes, 10254 26th St. Cucamonga. He has been a member of the Cucamonga Branch for three years. Ricky is the son of Mrs. Danny Shetley of 507 Alpine St. in Upland and has held

membership in the Upland Branch for a year.

The Boy of the Month program is part of Boys' Clubs' incentive programming to challenge and assist boy members in developing self-esteem and personal accomplishment toward the goal of developing into positive and contributing adults. Each monthly winner is eligible to compete in the Boys' Clubs of America National Boy of the Year program with the possibility of winning \$4,000 in scholarship money through the Reader's Digest Foundation.

West End Boys' Clubs is a member agency of West End United Way and has been active in delinquency prevention work in this area for over 15 years.

Y takes sign-ups for Camp Oakes

Registration is under way for the West End YMCA's winter camp to be held Dec. 27-30 at Camp Oakes for boys and girls in grades four to eight.

The program will feature varied activities for all ages under the supervision of trained leaders.

Some of the activities planned include sledding, games, crafts, movies, saucers, slot car races, campfires, archery, songs and skits, and weather permitting, fun in the snow.

The camp features good food, heated winter dorms and lots of warm indoor space.

The cost, including a \$10 deposit, is \$29 for members and \$35 for non-members. A pre-camp information meeting will be held Tuesday, at 7 p.m. at the Y, located at 215 W. C. St., Ontario.

A list of desired equipment is

Luncheon, fashions are shared

The December luncheon of the Upland Woman's Club was held recently at the clubhouse and the program was a fashion show of authentic costumes from Singapore, India, Thailand and Kenya.

The models were Mrs. William Nepper Sr., Mrs. Donald Jarvis and Cecile Elser, all club members.

Juanita Jackson, a guest and a model, did a hula dance.

Connie Hagen was in charge of the International Fashion Show and also modeled. She showed the audience how to wrap six yards of fabric into a Far Eastern sari and secured the gown with a single pin.

Mrs. Marvin Wharton was the narrator.

As part of the Christmas season giving, a monetary gift was presented to the Friendship Club, an organization with its main function being to restore to normal life adults who are encountering emotional, mental health problems. A monetary gift in the name of gerontology to be used for patients in local convalescent hospitals to assure their Merry Christmas.

The garden section were guests of the drama section at the Chapparral Heights Mobile Home Park Clubhouse. Following luncheon, a gift exchange was held. There also was a demonstration on "How to Make Som thing Out of Nothing," a skit and the singing of Christmas carols.

The next club activity will be a Guest Night on Jan. 14 and special reservations are required. The executive board will meet at 9:30 a.m., Jan. 6 at the clubhouse.

Entire cub pack wins at olympics

available upon registration at the Y.

Children can earn their way to camp selling YMCA peanuts available at the Y.

Cub Scout Olympics meant happiness to 35 participants of Cub Scout Pack 653. All the boys won ribbons.

Fire Prevention Week also saw the Pack at the Cucamonga Fire Station.

This month Bobcat Badges were earned by Billy Cain, Danny Cain, Tony Dias, Scottie Dunson, Billy Gillian, Mike Glenn, Robert Hoffman, Troy Klima, Frank Luna, Bill Lackey, Sean Magin, John Meyers, Richard Miller, David Mitchell, Tony Mitchell, Danny Snow, Jeff Santleban, Billy Spain, Danny O'Connor, Tony Timan, Chris Van Arsdale and Mike Youngman.

Wolf Badges were given to Kevin Armstrong, Kenny Aponas, Jim Blevins, Jamie Cole, Chris Cox and Sean McCaffrey.

Bear Badges went to Leslie Finley and Tommy Norton.

Gold Arrow recipients were Jamie Cole, Chris Cox, Jim Blevins and Tommy Norton.

Silver Arrows went to Chris Cox and Tommy Norton. Jim Blevins received two.

One Year Pins were awarded to Kevin Armstrong, Chris Cox, Jim Brenner, Leslie Finley and Craig Francis.

Tommy Norton received a Two Year Pin.

Webelos went to Gary Esmond, Bennie Miranda, David Mitchell, Leslie Finley, Mark Dunson and Scott Sylvester.

Seven firms join Montclair chamber

Seven businesses were welcomed as members of the Montclair Chamber of Commerce Tuesday at the Pacesetter Breakfast at the Basque Restaurant.

The new members are Ace Pipeline Construction, Inc., 1312 W. A CHRISTMAS PAGEANT — Will be presented by the Bethany Baptist Church of Montclair beginning tonight at 7:30 p.m. and continuing each evening through Dec. 24. Portrayed as Joseph and Mary in the outdoor pageant are David Hyche and

Karen Johnson. Native costumes and live animals will be used as members of the church portray various Biblical characters. The free performances will be held at the church parking lot on the corner of Monte Vista and Benito.

All-Dutch Christmas

An all-Dutch Christmas service will be presented this Sunday at 4 p.m. at the Valley Community Drive-In Church, Lone Hill Avenue and Covina Blvd., San Dimas.

A choir composed of Dutch speaking members and friends of the local church, plus people from the Chino Reformed Church, Chino Christian Reformed Church and other Reformed and Christian Reformed Churches in the San Gabriel/Pomona Valleys, will perform under the direction of Jan Van Ingen Schenau, composer, organist and choir director from The Netherlands.

Featured speaker for the program will be the Rev. Peter L. Van Katwyk, doctoral candidate in theology and personality from the School of Theology in Claremont. Mr. Van Katwyk was ordained as a minister in the Christian Reformed Church in The Netherlands in 1965 and held a pastorate for eight years in Canada, near Vancouver. He lives in Claremont with his wife, Myra, and their four children.

Also taking part in the program are Joanne Hobo, who will recite poetry in Dutch, and her daughter, Joanne, who will play the flute. Mrs. Hobo is the daughter of Jan Van Ingen Schenau.

Valley Church Pastor Melvin De Vries will bring the welcome to the congregation and the Rev. Alvert Van Dyk will read the liturgy.

Admission is free, a free will offering will be received. The

public invited to attend this and all other services and activities of the local church.

Also Sunday at 7 p.m. the 30 minute, new color film, "Glory in the Highest!" will be shown. It is a full drama of the Christmas story with realistic Bible costumes and settings. It will bring the Christmas story to life.

On Christmas Eve at 7:30 the 1,000 seat glass sanctuary will be reflecting the flickers of dozens of candles, safely placed around the congregation. As the choirs sing, people join in caroling and an uplifting message is given.

Cantata offered Sunday

The La Verne Heights Presbyterian Chancel Choir will present the cantata, "Command Thine Angel That He Come," on Sunday at the 9:30 a.m. worship service. Douglas Carrington will direct the group.

Pastor John R. Springer will preach on "The Gospel of Christmas."

On Sunday evening at 7 p.m., a Sunday School Christmas program will be held at the church and the junior high youth group will present a play, "The Tradition of Grinch," written by John P. Barton, a member of the La Verne Heights Church.

Christian Chapel offers cantata, special services

A cordial invitation is extended to residents of the area to share with the congregation at Christian Chapel in the celebration of the birth of Christ.

Christian Chapel is located at 1920 S. Brea Canyon Cutoff Road in Walnut, just south of Colima.

The cantata, "Night of Miracles" by John W. Peterson, will be presented by the Chapel Choir each night at 7 p.m. Dec. 21-23. The choir is under the direction of Steve Hansen.

On Christmas Day, a special candlelighting service will begin at 7 p.m. with worship,

caroling, communion, and the lighting of candles at the close of the service. Refreshments will be served afterwards in the education building.

On New Year's Eve, coffee and dessert will be served from 9 p.m. to 10 p.m., followed by a service of welcome to the new year. Evangelist Jim Hood, known for his keen wit and sense of humor interspersed with ringing truths from the Word of God, will be the evening speaker. He comes to the Chapel with 12 years' experience in personal evangelism and a background of four years as a pastor.

Redeemer Lutheran Claremont United Methodist Church

The Redeemer Lutheran Church, 19360 Colima Rd. in Rowland Heights, will offer a Christmas service conducted by children this Sunday at 10 a.m. Christmas Eve services will be held at 6:30 p.m. and 10 p.m.

If transportation is needed call 964-2521 or 964-5005.

Christmas observances at the Claremont United Methodist Church include morning worship services at 9:15 a.m. and 11:05 a.m. on Sunday, a Christmas vesper service at 4:30 p.m., and a Christmas Eve service at 7 p.m. All services will be held in the sanctuary.

At the vespers service, directed by Mrs. Ardy Hunter and Rev. Karen Van Hook, there will be singing of favorite Christmas carols, a review of Advent with the lighting of candles, the New Testament Christmas story with a slide show of children telling the story, and an offering of goods for others in need. Musicians for the Vespers Service will be the children's choir directed by Mrs. Frances Giltry, and a Handbell Choir directed by

Marty Baum. Others participating in the planning are Hans Weidhofer, and Harley Prentiss. The program will involve all church school classes, the church choirs and the adults of the church and community as well. The event will be followed by a hot meal and caroling.

For the Sunday morning worship services, the Rev. James W. Dallas will preach on the theme "What Christmas Means To Me," the third sermon in this Advent series. Special Christmas music will be presented by the combined choirs conducted by Mr. Michael Wilson.

Special events for Christmas begin Sunday

Special Christmas events begin at Christ Lutheran Church of Chino on Sunday. The Sunday parish school will present a program titled "The Heart of Christmas" at 7 p.m.

The pastor, the Rev. Aaron Plueger, will speak on "Christmas, RSVP" at the 10:45 a.m. worship service Sunday. The sermon is based on Titus 2:11-14.

The church will hold a Christmas Eve candlelight service at 7:30 p.m. Tuesday. Every service at Christ Church is open to community members. The church is at Francis and Vernon in Chino.

'Gospel for all people'

Based on the letter of Paul to the Corinthians, Ch. 9:16-23, Rev. M.H. Saeger will speak on the topic "The Gospel is for all People" in the 10 a.m. worship service at Trinity Lutheran, located in Montclair.

Sunday school and Bible class for all ages will be held at 8:45 a.m. Presently the children are working hard on their Christmas program to be presented on Christmas Eve at 6:30 p.m.

In the evening, the membership is invited to attend the Faith Lutheran High Band and Choir Christmas Concert, to be held at Immanuel Lutheran Church in West Covina. Trinity also has its final midweek Advent Service next Wednesday, at which time Rev. Saeger will speak on "Praise to Jesus." The evening services are held at 7:30 p.m.

First Baptist performance

The First Baptist Church of Montclair will perform the Christmas cantata "God's Love Gift" on Dec. 22 at 7 p.m. The church is located at 5150 Palo Verde St.

Christmas broadcast

Dr. G. Merrill Lenox, broadcasting consultant for the Pomona Valley Council of Churches and administrative minister of the Claremont United Methodist Church, will conduct a special Christmas service over KKAR RADIO (1220 on dial) on Christmas Day from 11 to 11:30 a.m.

METHODIST YOUTH — Roger Burn, left, and David Scharf prepare for the group's "Here Comes Santa Claus Party" Saturday, Dec. 21 from 2 until 4 p.m. The San Dimas church, 114 W. Second St., will conduct a Christmas Eve Candlelight Communion Service beginning at 7 p.m. Tuesday.

NOTICE INVITING BIDS

NOTICE IS HEREBY GIVEN that the City of Montclair, California, hereinafter referred to as the "City," will receive up to but not later than 2:30 p.m. of the 3rd day of January 1975, sealed bids for the award of a contract for the construction of an addition to and remodeling of the existing City Center facility located in Montclair, California.

Such bids shall be received at the City Hall, care of the City Clerk, 5111 Benito Street, Montclair, California, and will be opened and publicly read aloud in the Council Chambers immediately after the above stated time. The award, if any is made, will be made by the City Council of the City within a period of 30 days from said date and will be made to the lowest responsible bidder. No bidder may withdraw the bid during said period.

In general, this project comprises the construction of an addition of approximately 7000 square feet, and remodeling of the existing Montclair Civic Center Police Building, and adjacent driveway and parking area.

Each bid must conform to and be responsive to this invitation, the Plans, Specifications, and all other documents comprising the pertinent Contract Documents. Copies of the Contract Documents are now on file and open to public inspection in the office of the City Engineer, 5111 Benito Street, Montclair, California, and SEA Incorporated, 10800 Wilshire Boulevard, Suite 500, Los Angeles, California, and may be obtained for a nonrefundable fee of \$25.00 for each set. Each bid shall be made out in duplicate on bid form included within the specification.

Each bid shall be accompanied by a certified or cashier's check payable to the City, or satisfactory Bid Bond in favor of the City executed by the bidder as principal and a satisfactory surety company as surety, in amount not less than ten percent (10%) of the bid. The check or bid bond shall be given as a guarantee that the bidder will execute the contract, if it is awarded, in conformity with the Contract Documents and will provide the surety bond or bonds as specified herein within ten (10) days after notification of the award of the contract to the bidder. The City reserves the privilege of rejecting any and all bids or to waive any irregularities or informalities in any bid or in the bidding.

A pre-bid conference will be held at the Council Chambers, City Hall, 5111 Benito Street, Montclair, California, at 2:00 P.M. on December 18, 1974, to answer any questions relative to bid. Results of the meeting will be distributed to all bidders as an Addendum.

It shall be mandatory upon the contractor to whom the contract is awarded, and upon all subcontractors, to pay not less than the general prevailing rate of wages to all workers employed in the execution of the contract. Pursuant to the provisions of the Section 1780 to 1783, inclusive, of the Labor Code of the State of California, the City Council of the City of Montclair has ascertained and adopted the general prevailing rate of hourly wages for week days and for Saturdays, Sundays, legal holidays, and overtime work for each craft or type of worker needed to execute the proposed contract, as follows:

Minimum Wage Rates per Federal Register, Volume 39, No. 217, Friday, November 8, 1974 and any Amendments added thereto.

By Order of the City Council of the City of Montclair, California.

Serve holiday fruit cake

The traditional holiday fruit cake was once called the "great cake." Since it was mostly fruits and nuts with just enough batter to hold it together, it was more like a pudding than a cake.

Today's version, however, has a delicate balance of nuts, fruits, and cake batter. Home economists at Corning suggest a taste of coffee and brandy flavoring be added.

Temptation Fruit Cake
1 jar (1 lb.) glaze cake mix (equal to cups)

- 1 cup slivered almonds
- 1 cup raisins
- 1 cup dried currants
- 1 teaspoon allspice
- 1 teaspoon cinnamon
- 1 teaspoon nutmeg
- 1/2 teaspoon mace
- 1/2 cup strong coffee
- 1/2 cup molasses
- 2 tablespoons brandy flavoring or two more tablespoons coffee
- 4 eggs

- 1 1/2 cups sifted all-purpose flour
- 1/2 teaspoon salt
- 1/2 teaspoon baking soda
- 2/3 cup firmly packed brown sugar
- 1/2 cup butter or margarine melted and cooled

Combine first 11 ingredients in large mixing bowl. Stir in eggs. Mix well. Mix and sift flour, salt and baking soda. Stir in. Add brown sugar. Mix well. Stir in melted butter. Spoon batter into two greased Corning Ware glass-ceramic loaf dishes (9 x 5 x 3 inches). Bake at 300 F. approximately 1 1/2 hours or until fingertip touch leaves no imprint. Cool on racks. When cake is cold, cover with brandy-soaked cloth, wrap in wax paper or foil and store in tightly closed box. If desired, frost with Frosting au Cafe before serving.

Frosting Au Cafe
2 cups confectioners' sugar

- 1 to 1 1/2 tablespoons instant coffee powder
- 3 tablespoons butter or margarine, softened
- 2 tablespoons cream or milk
- Combine confectioners' sugar and instant coffee. Blend in butter or margarine. Add cream or milk. Beat well until thoroughly mixed and of spreading consistency. Spread on cake. Makes one cup.

Singles population growing Wedding bells no longer ring

NEW YORK — For San Bernardino County's young people, getting married is no longer the "must" that it was once considered. Times have changed.

Not that the state of wedlock is not flourishing locally. It is. The great majority of marriageables in the area are married. Mostly because they want to be.

It appears, rather, that the reality today is that not all men and women want to marry, according to a University of Michigan study. For a variety of reasons, many choose to remain single.

"Most of all," it states, "we must begin to view singleness as a legitimate alternative to marriage, rather than as a failure to comply with the expectations of society."

In San Bernardino County, as in most other parts of the coun-

try, the proportion of single people is greater now than it was a generation ago.

The latest Department of Commerce figures for the local area show that 33.1 per cent of the male population and 34.7 per cent of the female, over the age of 14, are not married. Together, the average is 33.9 per cent.

By the way of comparison, the average nationally is 36.5 per cent and, in the State of California, 37.5 per cent.

What is it that brings people to the altar? The American Medical Association gives forth with its views on that subject.

It states that there are several motivations. It may be (1) love, (2) money, (3) convenience, or (4) some combination of those three.

It refers those persons whose primary interest is money to

the Internal Revenue Service, which has figures on an estimated 347,000 men and 868,000 women with net worth of \$100,000 or more and who are unmarried.

"Play your cards right and

one of them could be yours to have, to hold and to inherit from," says the AMA.

To meet such people it is suggested that the prospective suitor frequent such places as

private golf clubs, exclusive resorts, swanky yacht clubs and the like.

Should all such efforts fail, give thought to marrying for love instead of for money, it advises.

Haldeman laments decision

Flagpoles turned down

Upland Mayor Abner Haldeman indicated at a recent council meeting he was unhappy with a decision by the architectural commission turning down the installation of two 24-foot high flagpoles in front of the Alpha Beta Market in Upland.

"I would have liked to see a positive approach to that," Haldeman said, adding he doesn't consider the proper dis-

play of the United States of America and State of California flags "advertising."

But, it was pointed out the commission acted in accord with public law concerning display of the flag of the United States of America where it states in part "the flag should never be used for advertising purposes in any manner whatsoever." The commission agreed that flying a flag in order to add color to a shopping

center is not in keeping with the spirit of reverence and respect.

So, the commission turned down the request. Mayor Haldeman said he'd like to see flags flying at every shopping center — in a proper and respectful manner and noted that when he retires soon from business, he intends to devote much of his time to preparing for the bicentennial celebration of this nation — a flag-waving event.

Cucamonga chamber installs new officers

President-elect Gary Peters was officially installed during the annual Cucamonga Chamber of Commerce installation dinner.

Along with three other officers. Outgoing President H. Frank Penn stepped down from office to become treasurer of the chamber.

Other officers installed by director Randy Bond were Phillip Schlosser, vice president and Al Blessent, secretary.

Board of directors members whose terms of office are expiring were Mike Cervantes, Javier Tiedra, and Charles E. Peer.

Dick Lutz, Blessent, Robert Tino and Schlosser, all elected to the board in October, also were installed.

Penn cited rapid growth as one of major accomplishments of his year in office. In 1974, he said, membership in the chamber increased by 40 per cent.

"We've had a chance to look at some inroads to orderly growth," he said, "and that's what the chamber is all about."

Peters, who served as vice president for 1974, said his goal in the chamber was to continue to strive for more growth.

The evening program was kept in a light-hearted vein, with guest speaker John Milton Kennedy concentrating mostly on anecdotes concerning the letters received by Southern California Edison's public relations department.

Residents pass bar examination

Seven West End residents are named on the list of 3,316 applicants who passed the fall bar examinations in California.

They will be admitted to practice following ceremonies before Courts of Appeal scheduled for Dec. 20 in Los Angeles and Dec. 18 in San Bernardino.

According to the committee of Bar Examiners, the successful applicants are:

Michael John Bidart of 13142 S. Campus Ave., Ontario; Ellen E. Brodie of 2438 San Antonio Crescent East, Upland; Frank Daniel Cardinal of 5225 Canoga St., Montclair; Dennis Grant Cole of 8342 Orchard St., Alta Loma; David Loyd Hickson of 1567 Violet Way, Upland; John David Mannerino of 1796 N. 2nd Ave., Upland; Michael W. Mugg of 8805 Alta Loma Dr., Alta Loma.

Y will offer babysitting New Year's Eve

New Year's Eve is a traditional night out on the town for most couples — many of them parents of young children.

This year for the first time, the West End YMCA is offering a babysitting service from 5 p.m. New Year's Eve to 11 a.m. New Year's Day.

For many parents who have a tough time rounding up a competent sitter, the circumstances are made to order. According to Pat Flack, community program director, the babysitting is limited to

children from 3 years old and older and capacity is 250. Cost for the 18-hours of child care is \$8.50 per child and \$4.50 for additional children from the same family.

Children will receive evening snacks at the Y, 215 W. C St., be entertained during the evening with movies and games by high school students and adult supervisors and receive a breakfast in the morning.

Parents may pick up their children anytime before and up until 11 a.m. New Year's Day.

A pocketful of miracles for only \$19.95^{plus tax}

when you put \$250 or more in a new or existing savings passbook account.

This is the Rockwell electronic calculator. It adds, subtracts, divides and multiplies up to 8 digits. The unit features complete floating decimal point positioning, algebraic logic, automatic overflow and underflow protection, zero suppress system and more. You can use it to perform tax or discount calculations, chain multiplication and division, square and power calculations, or just balance your checkbook. Run it on house current, or on a

battery. The Rockwell calculator is a precision instrument, and is backed by a one-year warranty.

For a limited time, Security Pacific Bank is making this outstanding calculator available at a very special low price.

For just \$19.95 (plus tax) we'll give you the calculator, the battery, an A.C. outlet adapter and attractive carrying case. Sorry, only one per depositor.

To cash in on the offer, open a new savings passbook account for \$250 or more, or add \$250 or more to your existing passbook account at any branch of Security Pacific Bank. And your account should remain open for at least 12 months.

You'll have infinity in the palm of your hand.

Volunteers playing vital role District center

Dedicated women in the community play an important role as a volunteer receptionists each day at San Antonio Community Hospital.

This volunteer service was established by the hospital's women's auxiliary five years ago as a help for patients and visitors alike.

Responding to a need expressed by the medical staff and the nursing department in 1969, John L. Towers, hospital administrator, and Paul Hofmann, former assistant administrator, along with Mrs. Herbert Hall, admitting supervisor, set up the procedure.

Each day, four women greet visitors, presenting them with passes to the rooms, answering questions, helping direct them to departments of the expanding hospital and deliver messages or gifts to patients if asked to do so by family or friends.

An auxiliary spokeswoman notes that many times the

volunteers find themselves lending a sympathetic ear to a visitor who finds the volunteer receptionists desks an oasis at a troubled time, or very frequently, the receptionist is caught up in the delight of a joyous occasion.

Many of those who were the original volunteers in this service still are giving their time. As one of them, Mrs. C.G. Hennessy, notes, "It is very interesting work. I enjoy the

contact with the people and find it a pleasure to take a personal interest in each hospital visitor."

The volunteer receptionist program began five years ago under the chairmanship of Mrs. Hugo Melillo. Each successive year, a volunteer has been willing to be responsible for scheduling this service. The chairman of the receptionists also serves on the board of the women's auxiliary.

The Ontario-Montclair School District has announced the opening of its Materials Center to the public for the holiday season.

Normally a resource center and workshop for teachers and aides only, the center will open its doors to community residents who desire creative ideas for Christmas and party

decorations, or patterns for educational games for children. Karen Ogden, materials center clerk, will be on hand from 8 to 5 Monday through Friday to assist visitors.

The center is located behind the library in the Ontario-Montclair School District administration building, 950 W. D St., Ontario.

West End residents naturalized

Eighteen residents of West End communities received their naturalization papers as new citizens of the United States in recent ceremonies at San Bernardino.

Richard C. Garner, presiding judge of the county Superior Court, issued citizenship papers to the following:

CHINO — Martin Etchebarne, 7960 Merrill Ave., France; Cecencio Magana Hurtado, 13123 11th St., Mexico; Isabel Reza, 4386 Gird Ave., Mexico; Antonio Echeverria, 7262 Bickmore Ave., Spain.

MONTCLAIR — Mary Linus O'Connell, 5395 Orchard St., Ireland; and Yang Kum Barth, 10141 Geneva Ave., South Korea.

ONTARIO — Max Andersen, 758 W. Flora Court, Denmark; Vijendra Vir Kumar, 11311 Greenwood Way, Great Britain; Tulson Peterson, 213 E. Francis St., Korea; Juan Vidart, 7676 Chino Ave., Spain; Jose Ferreira Pacheco, 2126 Bonita Ave., Portugal; and Joseph Charles Priestman, 528 E. G St., Canada.

UPLAND — Maria Del Carmen Rodriguez, 244 W. Arrow Hwy., Cuba; Ronnie Ken Yamamoto, 853 Orchard Court, Japan; and Gary Richard Tackoor, 1728 Vallejo Way, Trinidad.

Widening of Central Ave. ok'd

The county and the city of Upland have concluded an agreement to widen Central Avenue between Ninth Street and Foothill Boulevard.

The widening of Central Avenue will cost an estimated \$120,000 and the bulk of the project will be financed with federal funds.

Under the agreement between the city of Upland and the county, the city will contribute \$7,000 and the county \$19,000. The shares are based on the percentage of the road work to be done in the two jurisdictions.

The widening of Central Avenue is scheduled to take place during the 1975-76 fiscal year.

Montclair Club

Cheer spread

Toys and stuffed animals will be donated to children at Pacific State Hospital near Pomona for Christmas by the Montclair Vista Woman's Club.

The toys were taken by club members and their husbands to the Christmas party held recently at the Candlelite Inn, Montclair.

In lieu of a gift exchange, each member also donated \$2 which will be used to sponsor a Christmas party Dec. 21 for the residents of Suntown Convalescent Hospital, Montclair.

Two Christmas baskets are being compiled by the club for needy families in Montclair and Ontario.

Persons wishing to donate canned goods and other items to supplement the baskets may deposit the donations at Winchell's Donut Shop in the K Mart Shopping Center, Montclair.

THREE GENERATIONS — Of the Carruthers family enjoyed the "Toast to Santa" Christmas Parade, sponsored by the San Dimas Jaycees last week. Especially thrilled by it all was two year old John who is shown with his Grandfather, Jack, and Father, Ray. Carruthers is executive director of the San Dimas Chamber of Commerce. (Photos by Peggy Olsen)

ECSTATIC WINNERS — Of the "Sweepstakes Trophy" for the best musical unit in the San Dimas Jaycees Christmas Parade were William S. Hart High School bandmen from the Newhall-Saugus area. Trophy was accepted by Drum Majorette Dolly Hays and Director Larry Thornton.

"MAYOR'S TROPHY" — Recipients in the San Dimas Jaycees Christmas Parade were the Junior Community Players, a group of San Dimas and La Verne students. Mayor Jim Lough, left, presented the trophy to Brad Guth, president, as Jaycee member Clifford Muhne observes.

Safety on highway promoted

Concert to be joined by students

Seventy-five young singers representing 16 colleges and universities in the area will join the Los Angeles Master Chorale in a concert of choral masterworks at the Dorothy Chandler Pavilion on Jan. 11 at 8:30 p.m.

Taking a Christmas trip? Drivers are warned that no matter how far they travel, "give some thought to those sitting beside you or in the back seat because they are depending on you for their safety," says Capt. W.C. Jones, commander of the Pomona area highway patrol office. He issued the warning in the form of an appeal for a safer, saner holiday driving season in 1974. Maximum use of officers and patrol vehicles is planned by the highway patrol during the Christmas and New Year's holidays in an effort to minimize traffic accidents. "A large percentage of traf-

fic accidents during the holiday season involve family groups and often the passengers are hurt worse than the driver," Jones noted. "There isn't much passengers can do to protect themselves if the driver becomes involved in an accident by violating a traffic law or failing to be alert to those motorists who do. Jones urges motorists to be particularly alert for pedestrians during the holiday season. The percentage of fatal accidents involving pedestrians usually is higher in December than any other month of the year, he said.

Computer B.S. degree offered by Cal Poly

California State Polytechnic University, Pomona has received approval to offer a bachelor of science program in computer science. The new program is interdisciplinary and draws from the fields of mathematics, electrical and electronics engineering and data processing.

An advantage of the program is that students enrolled in computer science are now, depending on their special interests, able to choose major course work from any one of the mathematics, engineering or data processing areas.

Computer science is devoted to the presentation, storage, manipulation and presentation of information. Much of its practice is dependent on general and special purpose electronic digital computers. The major areas of study under the new degree program are artificial intelligence, automata theory, logical design, information storage, retrieval and processing, numerical mathematics, programming languages, programming systems and system modeling.

The emphasis of the computer science curriculum is placed on the development of a general competence in the areas of computer architecture, software and application. Students have ample opportunities to take elective courses that will enable them to pursue double majors in computer science and a number of other areas such as mathematics, physics, engineering, data processing and business management.

Persons interested in the computer science major, or who wish additional information, are asked to contact the Cal Poly, Pomona mathematics department, 598-4421, 8 a.m. until noon and 1 until 5 p.m.

NORTH POLE, Alaska (UPI)—Some of the merry elves helping Santa Claus answer the heavy load of mail he receives this time of year are a group of men stationed at Eielson Air Force Base.

They help Santa
This is the 20th year the men of Detachment 2 of the 11th Weather Squadron have come to Santa's aid in sending letters to children throughout the United States, telling them

what they can expect in their Christmas stockings if they are good boys and girls. This community about 14 miles south of Fairbanks and 10 miles from Eielson consists of little more than a trading post, a few residences and a U.S. post office.

The post office, thanks to St. Nick and the good guys at Eielson, does more business in December than in all the other months combined.

"So far this year, we have sent out about 3,000 letters," said Maj. Bill Murphy of Newburgh, N.Y. regularly three and one-half years.

"We've been doing this for 20 years and have handled more than 160,000 letters. Last year we had about 7,000."

What their voluntary work really amounts to is a free service to parents who want their children to get a letter from Santa, postmarked North Pole.

The parents know what their children want from Santa. They compose a letter from Santa to a son or daughter, enclose a stamped envelope addressed to the child, then mail the letter and envelope in another envelope addressed to Santa's Mailbag, Det. 2—11th Weather Squadron, APO Seattle 98373.

GONE TODAY The \$399 indulgence

Seemed by the time you got away from it all, settled into that mountain cabin and finished unpacking, it was just about time to leave. Roughing it was a great experience, even though the fireplace smoked and the quiet kept you awake. Now all you have to show for it is a memory, and that's worth something. But when you have to make choices about how to spend your money, think of what you come home to after the fun is over. Think of RB Furniture.

HERE TOMORROW The \$399 investment

Our big, rustic oak finish 7-piece dining set will be the family's enjoyment center for years of rugged everyday use and stylish entertaining. The 38" x 60" long trestle table with 12" leaf has a practical Westinghouse Micarta top, unusual crossback leg design and five shaped-back chairs and an armchair upholstered in oatmeal tweed. We absolutely declare at least five full years of daily pleasure dividends on your RB Furniture investment. Matching china has interior lighting, glass shelves. \$239

Health News . . .

Doctor Stresses Need for Workingman Injury Care

By DR. W. P. HELZER, D.C.

The results of a national survey indicate that back injuries cost Americans over \$1 billion annually.

These statistics were compiled through information gathered from the files of state workmen's compensation departments, the U.S. Department of Health, Education and Welfare, the U.S. Public Health Service, the National Safety Council, and the U.S. Department of Labor.

The survey shows that about one in five back injury accidents occur in the home. Roughly one-third of such injuries happen on the job; 22.8% in motor vehicles; and 18.7% are the result of miscellaneous causes.

Examination of direct cause of back injuries shows that approximately one-third of them are caused by lifting, 17% from falls, and the remaining causes are well distributed over a variety of accidents and activities. Yard work, for instance, accounted for 2% of this type of injury.

One of the most important revelations in the survey concerns a report of a five-year study of back surgery cases which was undertaken by the State of Washington Department of Labor and Industries. The study reveals that 20 per cent of all back surgery cases during the five-year period resulted in total failure. Only 20 per cent of the back surgery cases were listed as having "very good" results. This rather dismal projection of the outcome of

attempted surgical correction of back disorders indicates the patient subjected to surgery to gain relief from back injury is playing a highly speculative game with his future.

I do not discount the value of surgery in the most desperate of cases. In these instances it is better that high risk be taken than to do nothing at all.

However, our experience shows that most cases respond favorably to more conservative procedures at minimal risk to the patient. Manipulative procedures and physical therapy would be among these non-surgical procedures.

The tragic consequences of failure in back surgery affects many more than the patient. His family loses the full earning power of its breadwinner. In some cases the patient becomes totally disabled. This situation results in a complete inability to provide for his family and often leads to even further physical and mental deterioration.

I hope the public will become more informed about back injury and will take steps to reduce home and work accidents. Many of the nation's back injury accidents can be prevented by observing common sense precautions. Labor and industry can work together to fight back injury in the same way that they have been so successful on other safety programs.

Dolls are not child's play

By JEAN BARNES
Traditionally, from now until Dec. 25th is "doll season." But for many the season never closes, they never outgrow the desire for dolls.
Ruth (Mrs. G. E.) Mills is one such. Mrs. Mills of Wichita, Kans., has been a doll collector for more than half a century. She is a recognized authority on the subject and, if her collection is an example, a connoisseur.
She began collecting at the age of nine with family dolls, then became interested in German bisque dolls and later advanced to the French dolls. Now, she says she is a "piebald" collector and has a sampling of almost every kind of doll possible.
"When I started collecting I didn't know much," she said. "I bought because I liked them and they appealed to me." This is her advice to beginning collectors. "Don't buy what you are supposed to have in a collection, add what you like."
Dolls have been around since nearly 2000 B.C. and have evolved from the form of an idol or figurine for adults. These were supposedly endowed with the spirit of ancestors or magical properties. As man's knowledge increased and superstition faded the child

began using the doll for play.
Prior to the 18th century, dolls were made by artists for children of royalty. During that century, improved production methods made it possible for potters and craftsmen to make dolls in larger quantities. By the 19th century, fine dolls were available to almost every family. These are the dolls today's collectors seek but many are focusing their attention on the older dolls of this century which are still plentiful.
One of the rarest dolls in Mrs. Mills' collection was purchased for \$2 during the Depression. "That's when you could take a taxi for ten cents," she explained. To pay for her "extravagance" she forced herself to walk to and from work 20 times.
Most of her dolls are dis-

played in three floor-to-ceiling glass cases which nearly fill the Mrs. Mills restores and refurnishes dolls and costumes adjacent to the "doll room" is for her collection.

Starting Jan. 1 New law to require car insurance

SACRAMENTO (UPI) - Starting Jan. 1, California motorists driving without liability insurance will face stiff penalties ranging from a \$100 fine to loss of a driver's license.

The state's first compulsory auto insurance law, which the legislature passed without fanfare last session, is designed to protect everyone from "financially irresponsible" vehicle owners and drivers.

Albert Espey, manager of the financial responsibility section of the Department of Motor Vehicles (DMV), said at least one of every five California drivers (2.6 million) is "financially irresponsible" because he possesses no liability insurance and is unable to compensate victims of an accident.

He said that "for all intents and purposes" the new law requires all drivers to have liability insurance because its alternatives to insurance, such as posting a \$35,000 advance deposit, are not practical.

Although armed with the new penalty tool, the DMV isn't sure how the new law will be enforced.

Under the new law, drivers may be cited for driving without the required coverage. Non-insured owners who allow their vehicles to be driven by someone else also could be cited.

The statute provides fines up

to \$100 per-violation, and violators could be required to file proof of future coverage for an indefinite period.

It also requires mandatory suspension of the driver's license of a person involved in an accident who fails to file an accident report with the DMV within 15 days if damage exceeded \$250 or there is a death or injury. Previously, there was no penalty for failure to report.

Motorists failing to file will lose their driving privilege regardless of fault, Espey said. The privilege will not be restored until the motorist files proof of future insurance coverage which he must maintain for three years.

In addition, if fault is established by court action against a non-insured driver and he or she, owner of the vehicle fails to satisfy financial responsibility, the driver's license of both will be suspended until there is satisfaction, and proof of insurance is filed.

The minimum liability policy currently required must provide bodily injury coverage of \$15,000 for one person and \$30,000 for any one accident plus property damage coverage of \$5,000.

Espey said a problem with the new law is that the methods of its enforcement are probably being amended next year by the legislature,

"We've cut down on electricity and our bills are still high. How do you explain that?"

We know your electric bill is higher. A lot higher - even though you're conserving electricity. Why? Primarily because of the increased cost of oil.

It's our job to provide the electricity you, your family and your job require. And we must do so in a manner that meets all air pollution control regulations. This means burning foreign, low-sulfur oil in Edison generating plants. The price is set by foreign governments, and it more than tripled in the last 18 months. It could go even higher. Since January, 1972, the increasing costs of oil and the additional amounts we have had to buy are responsible for almost 90% of the increase in your electric bills.

So we won't always be so dependent on foreign oil, we're spending millions of dollars building coal and nuclear plants. We are also researching new ways to generate electricity - without foreign oil. Geothermal power. Solar power. Fuel cells. Fast breeder reactors. Nuclear fusion. Research is costly, but it will also help to reduce our reliance on foreign oil.

Projects related to the environment are expensive, too, and in 1974 will account for about 20% of our capital expenditures. In the past six years, \$325 million were required to be spent for such projects. It looks like we will have to spend another \$450 million for environmental purposes within the next four-year period.

On top of all this, inflation is eating into our budget - as it is yours. The cost of constructing new plants is 10 times higher than it was a few years ago, and borrowing costs have more than doubled.

Your electric bill will reflect these rising costs. What can you do to hold down your bill? Budget your use of electricity wisely. For ways to do this, send for our free booklet, Write: "Conservation," Edison, P.O. Box 800, Rosemead, CA 91770.

Bourbon balls, cakes are Christmas treasures

Miniature fruit cakes, chocolate bourbon balls and black and white teas are part of the treasury of delicious sweets.

Packaged together or wrapped individually, they are certainly a delightful way to say "Merry Christmas."

These are just some of the many favorites in making the joy of giving just a little more special.

The miniature fruit cakes and chocolate bourbon balls can be made several days ahead of time and let season in covered containers.

The black and white teas are a delicious lasting cookie, pressed onto an ungreased cookie sheet and topped with a chocolate dough squeezed through a cookie press to form the Christmas star.

To make cookies hang on the Christmas tree, loop a piece of colorful string and press ends into underside of the unbaked cookie dough.

These Christmas edibles travel well and make for unusual but practical gifts for the season.

Miniature Fruit Cakes
1/4 cup flour
1/4 teaspoon baking powder
1/4 teaspoon salt
1/4 teaspoon baking soda
1 6-oz. pkg. (1 cup) semi-sweet chocolate morsels
1/3 cup butter, softened
1/4 cup firmly packed brown sugar

1 teaspoon orange extract
3 eggs
1/4 cup water
1 1/4 cups mixed candied fruit, finely chopped

1 cup finely chopped nuts
Preheat oven to 350 F. In small bowl, combine flour, baking powder, salt and baking

soda; set aside. Melt over hot (not boiling) water, semi-sweet chocolate morsels, remove from heat. In large bowl, combine butter, brown sugar, and orange extract; beat until creamy. Beat in eggs, one at a time. Stir in melted chocolate. Add flour mixture alternately with water. Fold in candied fruit and nuts. Spoon into greased 5-oz. individual bundt cake pans or custard cups, using 1/4 cup batter for each. Bake at 350 F. for 25 minutes. If desired, brush hot cakes with corn syrup and decorate with a candied cherry half. Makes 12 cakes.

Black and White Teas
1 6-oz. pkg. (1 cup) semi-sweet chocolate morsels
2 1/4 cups flour
1 teaspoon baking powder

1/4 teaspoon salt
1 cup sugar
1 cup butter, softened
1 3-oz. pkg. cream cheese, softened
1 egg
1 teaspoon vanilla extract
2 teaspoons water
Melt over hot (not boiling) water, semi-sweet chocolate morsels; cook 10 minutes. In small bowl, combine flour, baking powder and salt; set aside. In large bowl, combine sugar, butter and cream cheese, beat until creamy. Beat in egg and vanilla extract. Gradually add flour mixture. Remove 2 cups dough and chill thoroughly (about 1 hour). Stir melted chocolate morsels and water into remaining dough. Preheat oven to 375 F. Form chilled dough into 3/4" balls

using a rounded 1/4 teaspoon for each. Place on ungreased cookie sheets. Flatten with bottom of glass, dipped in flour. Place chocolate dough into a cookie press and force dough through desired disc onto each cookie circle. Bake at 375 F. about 8 to 10 minutes. Makes about 5 dozen.

Chocolate Bourbon Balls
1 6-oz. pkg. (1 cup) semi-sweet chocolate morsels
3 tablespoons corn syrup
1/4 cup bourbon
2 1/4 cups vanilla wafer crumbs
1/4 cup sifted confectioners' sugar
1 cup finely chopped nuts
Granulated sugar

Melt over hot (not boiling) water, semi-sweet chocolate morsels; remove from heat. Add corn syrup and bourbon. In large bowl, combine vanilla wafer crumbs, confectioners' sugar and nuts; add chocolate mixture and mix well. Let stand about 30 minutes. Form into 1-inch balls. Roll in granulated sugar. Let season in covered container for several days. Makes 4 1/2 dozen bourbon balls.

**Candles
warm up
the home**

Today's enlightened homemaker can get much more from her candles than a little light to burn bright during a holiday dinner party.

Consider candles a very contemporary decorative accessory. Since the designers at American Greetings have shaped everything from sturdy pillars to tiny votives for their Guild House Collection, you can make selections to fit every decor and every setting.

First open up your mind to the wide variety of colors and designs — even for Christmas use.

While there are reds and greens galore in all shapes and sizes, you can say happy holidays with purple and yellow, too. And why not consider novelties like a collection of fruit shaped candles for a centerpiece instead of or in addition to the more traditional tapers?

To help broaden your view of how to use candles, American Greetings has these suggestions:

—Do place enough candles around the living room den or family room to make turning out all the electric lights a festive event. You'll find just three or four candles in their own holders spotted around the room give a warm glow to the atmosphere and the conversation.

—Don't be shy about mixing sizes and shapes of candles to make a really smashing effect for a centerpiece. Use some short candles that say "Noel" in gold and combine them with one or two decorative pillars moulded with a delicate Christmas scene.
